## **WELCOME TO A TRADITION**

It's not easy keeping a tradition going, but for over thirty nine years 'Neath the Birches' has been delighting the palates of the Straits Area, and we enjoy a reputation for outstanding food and service.

At 'Neath the Birches we have a pleasant, relaxed atmosphere. While dining, bird watching becomes a very fascinating experience. Wild animals are often seen strolling across the lawn.

At 'Neath the Birches we serve the finest quality of beef available. The Superb Prime Rib and Steaks are complimented by the freshest Seafood available. Fish from our local waters are purchased daily from our local fishery.

At 'Neath the Birches our wait persons still take personal responsibility for every dinner they serve. Truly, our pride is their pride, and they have always been an important part of our good reputation over the years.

But the real secret to 'Neath the Birches' success has been return customers like you... you've made us a tradition in Mackinaw City for over thirty years, and we thank you for your past patronage... and for joining us again tonight.

Your Hosts,  
Marvel and Glenn Jones
